NOV 15 2006

REMARKS

By this amendment, claims 3-5, 15, 15, 93, 94, 103 and 104 have been amended in response to the Supplemental Restriction/Election Requirement and, accordingly, to more particularly point out and distinctly claim the novel subject matter of the present invention. In addition, claims 1, 2 and 16-92 have been canceled, without prejudice, and claims 105-108 have been added. Thus, following amendment by this paper, claims 3-15 and 93-108 are presented for examination.

In the event the Examiner finds any remaining impediment to the prompt allowance of any of these claims which could be clarified in a telephone conference, the Examiner is respectfully urged to initiate the same with the undersigned.

DATED this 15th day of November, 2006.

Respectfully submitted,

Gary D.E. Pierce
Attorney for Applicants
Registration No. 38,019

Date: November 15, 2006
